

Congressman Butterfield's visit on September 3, 2013

Congressman G.K. Butterfield visited IMPulse NC LLC on Tuesday September 3, 2013 and he advised with this statement that " We have a new ally and will push for expansion of electric transportation systems especially the upgrade of High Speed Rail infrastructure under a Federal Proposal".

His visit included a brief introduction of IMPulse NC LLC, a Plant tour and an Open Question and Answer session with all of the employees.
